

Trace the Desert

Chunky crayon, big arm moves. Start at the pink dot. Wobbly lines count.

Trace the mountains *say it: up, down, up, down*

Trace the desert wind *say it: whoosh, whoosh*

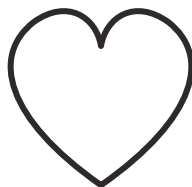

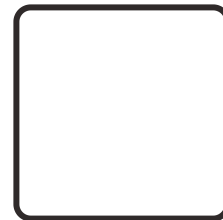

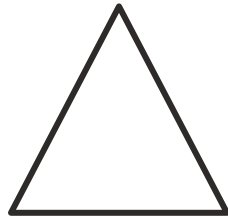

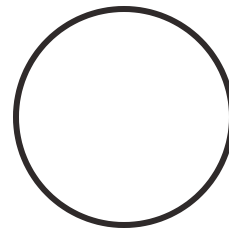

Trace the rolling tumbleweeds *say it: round and round*

Big and Little

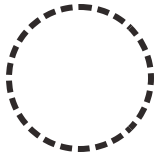

Point to the BIG one. Then color it in. Say the shape out loud together.

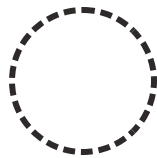

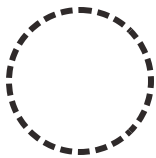

Dot and Count

Dot each circle with a finger, a sticker or a dauber. Count out loud as you go.

Color the Desert

Sun, mountains, a cactus and a cloud. Any color is the right color.
